

6102 Criteria for an effective IMDS process

Goal

You know which parameters have to be considered when implementing IMDS with a view to developing and realising an IMDS process that is efficient in the long term. You are able to perform data and process analysis, identify interfaces with potential for improvement as well as redesign and adapt an existing IMDS process.

Content

- The IMDS and its requirements
 - History
 - Goals
 - Basic requirements (ELV, OEM-specifics)
- The optimal IMDS process
 - Parameters
 - Models
- IMDS Process analysis and design
 - Company organisation structure
 - Process flow
 - Data collection and administration
 - Documentation
 - Internal and external management
 - Reports and statistics
- IMDS Data analysis and design
 - Administration of own data
 - IMDS Change Management
 - Check routines to meet internal standards and norms
 - Quality of own and external MDS (modules)
- IMDS Process efficiency
 - Costs aspects
 - Performance evaluation
 - Profiles for IMDS tasks
 - IMDS expertise
 - Work redundancy and error frequency
 - Supporting IT Tools
- Advanced services

As an IMDS Manager you are able to design or redesign an optimal IMDS process that allows for efficient performance of IMDS tasks, quality as well as cost efficiency and is perfectly tailored to your company structure.

Training method

Presentation with discussion

Participants

You would like to introduce the IMDS or reorganise an established IMDS-process.

Requirements

Basic knowledge of the IMDS and the process.

Training duration

120 hours

Maximum number of participants: 14

Certificate

As a participant of our authorised IMDS-trainings you receive a personal certificate to prove your IMDS-qualification.

Training documents

You will receive a personal copy of the in-class presentation. Further information can be found on our website.

Public training

Current prices and dates can be found on our website www.imds-professional.com.

Exclusive training

You can also book this training exclusively. Then we would charge a daily fee. Your advantage: You set time, place, and number of participants. If preferred, we also take over the whole organisation for you.
