Info-Webinar for the TÜV-certified (PersCert) courses in Material Compliance and IMDS Expert

New and completely unique: Our certified training programs in cooperation with TÜV Rheinland / PersCert TÜV in the fields of materials compliance and IMDS (International Material Data System)

>> LEARNING OBJECTIVE

Ensure reliability, expertise and progress by having your current competencies in materials compliance or IMDS certified - exclusively and personally!

In this free info webinar, you will learn everything you need to know about the process, requirements and costs of the courses. You will also gain a clear understanding of which certification is most suitable for you at this point in time and how you can further expand your skills in the future.

Of course, we will set aside plenty of time to answer your questions.

Your benefit: Regularly demonstrate your ongoing skills development, up-to-date expertise, and consistent professional quality—securing a decisive competitive advantage for both your company and your career.
